Dedication

The faculty is an essencial aspect of the composition of any school. A school reflects the personality of these extraordinary people. Students remain for only a brief time, and buildings may deteriorate, but the faculty's presence is lasting. The Fasti Staff wishes to recognize one such outstanding person.

Throughout his twelve years of service at Chaffey, this man has exceeded the criteria of what students consider to be a good teacher. He radiates a warmth and friendliness even to those who are unacquainted with him. Evidence of his complete interest in the individual student on campus, as well as off, has become apparent. This man possesses a quality of dedication and inspiring school spirit. Among his responsibilities are that of serving as Key Club Advisor, and advisor for the class of 1974.

In appreciation of his enthusiasm, time, and devotion, it is with our utmost admiration that we the Fasti Staff of 1974 dedicate our book to:

First semester Student Council passed a controversial 5% assesment of all club sales. An Intra District conference was hosted by Chaffey which gave birth to an Intra District Advisory board. A Constitutional Revision Committee was founded with members consisting of a Student Council Representative as well as a Communication Council and three "student-at-large" reps. Also brought into effect first semester was the new election policy and a Student-Faculty forum.

2nd Semester

Student Council

Second semester student council carried out the Spring Festival plans initiated by first semester. They also furthered plans for a District Advisory Board, pushing the smoking bill in Sacramento, and setting up a new program for Communication Council. Preparing next year's budget, raising the percentage of voters, and striving for open campus were just a few of the goals set by second semester.

Communication Council

First semester communication council worked on Open Campus, Assembly schedule, the A. S. B. card policy and they defeated year long terms for student council. Second semester, led by re-elected vice-president Barbara McPherson, found that it would not effect change in their present organization if they changed their system. The council broke itself up into ten task forces. The task force worked on evaluation of the new school constitution curriculum and the present student handbook. They developed guideline for the A. S. B. budget and master calendar. Also they worked in areas of Performing Arts, School communication, the school environment, student/faculty relations, and class council.

The meetings are chaired by A. S. B. Vice-President Barbara McPherson.

Student Center

The Student Center went through major changes mid-year. Changes were in the formation of a new board and staff. Some proposals which were introduced were the organization of a new student lounge and Student Center. The lounge will be established in the cafeteria with the Student Center adjacent to the Student Activities. The Student Center has great aspirations for the future and growth of the Student Center, as a result of renewed student interest. Major events this year were "Black Awareness Week," "Cinco De Mayo," Rock Concert and a dance.

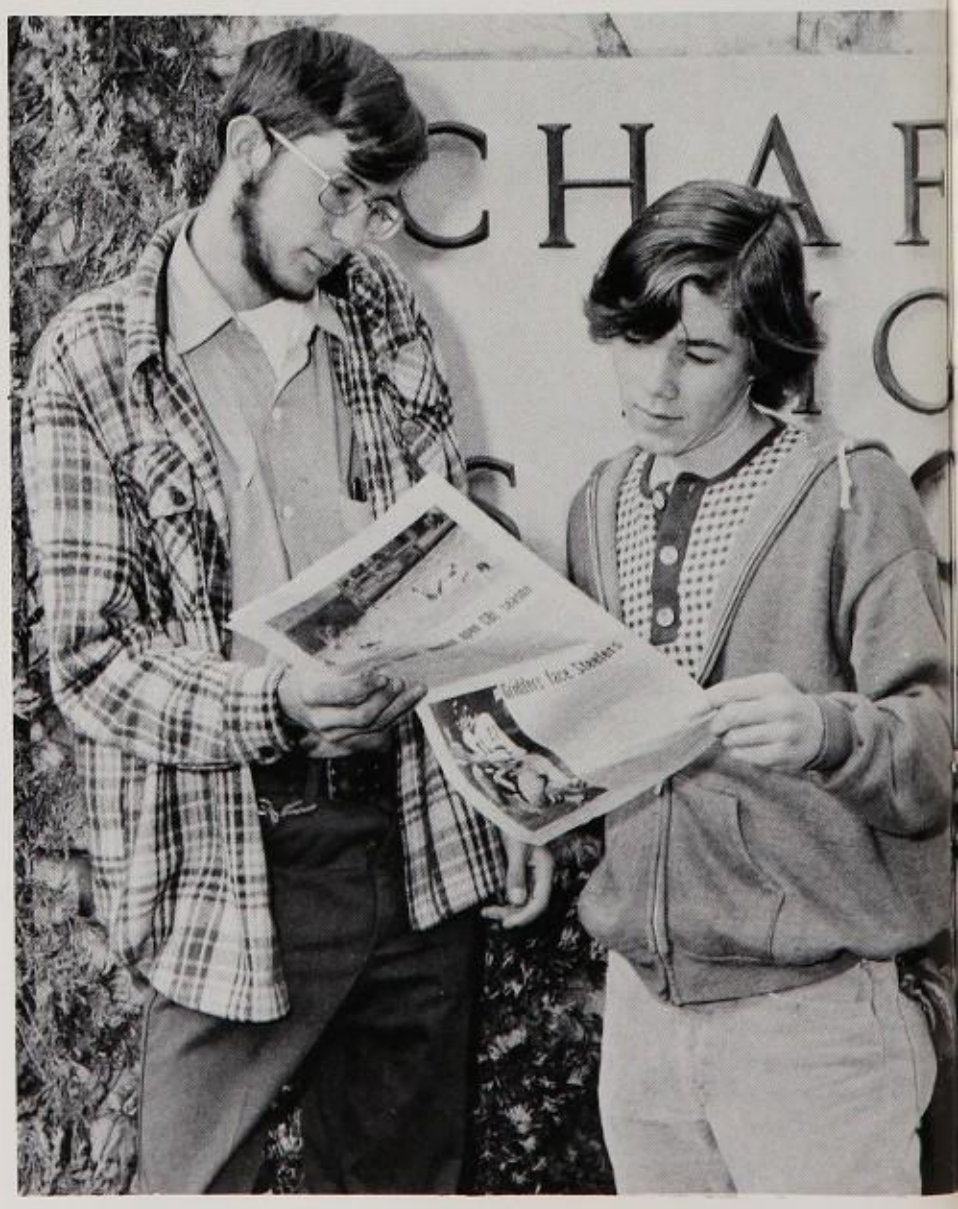
Tiger Rag

EVERY MAN IS THE ARCHITECT OF HIS OWN FUTURE

TIGER RAG, Chaffey's bi-monthly newspaper, covers all the latest news within the school. In the spring, the staff writers competed in the Area on-the-Spot Writing Tournament at San Bernardino Valley College, sponsored by the Inland Journalism Education Association. Tiger Rag was judged, by professional newsmen in newspaper competition and was rated highly for writing style, headlines, layouts, and photography. Each year the journalism students exchange newspapers with around sixty other High Schools to find unique and different ways of composing a newspaper. Several different formats were tried this year. First semester editor David McFadden and second semester editor Doug Holloway, led the staff in successfully publishing fourteen "Rags".



Editors David McFadden and Doug Holloway approve finished product.

National Forensic League

Forensics is something you have to experience. No one can explain or reproduce its effects for you. You may never bring home a trophy — but you'll always bring home the memories of learning and experiencing the people.

This year we've met new friends and had new experiences, such as getting involved in with elementary school children by sharing and looking at a holiday season through the eyes of a child. But then there is the nostalgia of things you've done before preparing for Lion's and Optomists' Club speeches in the spring, going back to Patrick Henry in San Diego, Loyola University, Moorpark College and Chaffey College.

Many tangible symbols of excellence in oratory and extemporaneous speaking as well as dramatic interpretation have been awarded our members. And this year we've attempted to excel even further in debate.

Beginning as frosh, we've come along way, we've grown individually and together, each striving in his own way to reach the common goal of communication with people.

Beverly Abila Girls' League Advisor

Girls'

Girls' League is the largest organization on our campus. Twelve girls comprise the cabinet and they are responsible for planning Girls' League activities. The year commenced with the Big-Little Sister picnic held on North Quad. "Big C" and Pep Squad provided entertainment for the occasion. A free Fasti was awarded to Gray McMinn at the "Hi" Dance. Halloween sparked spirit at the Beaux-Artes Dance. Old dance steps were revived when Chet Jaguer and his "Dixie-land" band sounded-off at the Father-Daughter banquet. Treasured moments were reminiscenced when Valentine and "Remember When . . . " cards were specially delivered to classrooms. A Mother-Daughter banquet, Welfare Week, and Backward's Week were just a few more of the many successful activities carried out by Girls' League.

We can make

During the week before Christmas Vacation, Girls League sponsored their annual Student Aid drive headed by Tammy Thompson, school service chairman. The week was dedicated to fund raising activities such as dutch auctions and sales of bells, mistletoe, candy apples, helium balloons, popcorn balls, and ginger bread cookies.

it happen

Everday during third period, money and food was donated by students and teachers. The class that collected the most money by Friday was Max Vaucher's class with a total of $125.00 and Vanderploeg's class came in second with $65.00.

The Girls League Cabinet presented a terrarium to Dr. Fred Adams as a gift.

At the end of the week, $1,300 was raised with the cooperation and spirit of giving by everyone. Girls League really did make it happen.

Marc Roland

Marc at home with his American family, the Hansens.

Marc Roland, with his red hair and freckles, surprised many people when he told them he was from Versailles, France. Marc came to the United States through the Youth for Understanding Program. Marc arrived in September, and soon was a participant on the Chaffey JV Waterpolo team. Marc was also very active in the French Club. He attended many meetings and accompanied them on several field trips. Marc plans to study under a French actor and hopes to become a movie photographer.

The 5′ 1″, sexy, brunette from Spain, Pilar Perez, has added an Americanized "Spanish friendliness" all her own to our campus. While at Chaffey, Pilar attended the games, dances and rallies. She highlighted this year's Football Homecoming as an honorary princess. She was a member of AFS Club, Laetitians Tri-Hi-Y, and Student Council. She participated in the Youth and Government in Sacramento with the YMCA. Pilar often commented on the strange American customs of dating and dress. But Pilar has adapted very well to the American way of live.

Tournament of Bands

Chaffey spent many long hours of work preparing for the Tournament of Bands. Night after night, day after day, practice continued until the final night. Chaffey was in the spotlight and a big success. In addition to the Tournament of Bands, Chaffey also performed many halftime shows. LA Fair, University of California, Lowell H.S., Chaffey College, Santa Claus Lane Parade, Disneyland, San Diego Charger game, and Catlina concert. Along with these outside shows Chaffey also performed at home football games. Chaffey Tigers Marching Band and Drill Team deserve much recognition for the many hours of work they put into their performance's.

Chaffey Again Second 5-2 in C.B.L.

Chaffey's varsity football team proved that it's hard to beat tradition as the Tigers fell 28-21 to Citrus Belt League champ Redlands in the game that traditionally decides the C.B.L. crown. Chaffey finished the year second in C.B.L. with a 5-2 mark and were 6-3 overall. The Tigers also suffered losses to leaguemate San Gorgonio and C.I.F. power Mater Dei.

The early highlight of Coach Ray Stark's eleventh varsity season was a 15-14 season-opening shocker over Anaheim, Chaffey's first win over the Colonists in nine years. Victory came late in the fourth quarter when the Tigers, trailing 14-13, scored a safety on a fumbled center snap. All-C.B.L. back Mike Scanlon passed for 127 yards (10 of 13), including a 10-yard TD aerial to All-League tide end Weigand.

After suffering a 39-26 loss to top-rated Mater Dei, the Tigers opened their league slate with crushing wins over Pacific, 34-6, Fontana, 33-6, Riverside Poly, 14-6, and Eisenhower, 28-0. Defense played a major part as Walt Kaufman and Joe McCloskey led a stingy Tiger defense that allowed only three touchdowns in the four game span-one a 60-yard TD return of a Scanlon interception. Senior Mike Partington took over the QB spot against Poly in place of an injured Scanlon and was an impressive 5-15-1 for 101 yards. Scanlon returned against Ike and led a Chaffey offense that reaped 328 rushing yards.

Redlands, however, proved too much for the Tigers as Chaffey fumbled five times and were soundly beaten, 28-21, although dominating almost every statistic. John Vanderkallen and Harley Stark put in top defensive efforts.

The Tigers then dropped a 31-7 decision to San Gogo, sealing off any chance for post-season play. Chaffey wrapped up the season with a 48-8 romp over Ramona.

Scanlon was named MVP due to his 20 touchdowns and 1411 passing yards. Other award winners were Mike Polzin, Chuck Bobitch Memorial Award; Alan Lupinetti, Hickey Kicking Award; Bill Edmonson, most inspirational; John Vanderkallen, best lineman; Cal Elefante, best back; Harley Stark, best defensive back; and Walt Kaufman, best defensive lineman.

Five Tigers All-CBL

The Chaffey varsity football team landed five players on the All-CBL first team, equaling last year's figure. Harley Stark, chosen as second string All-CIF end, led Chaffey first team contingents as tide end. Mike Scanlon was named as back; Walt Kaufman, offensive tackle; and Pat Carew, defensive end. Scanlon, Stark and Kaufman are returnees from last year's squad.

Barry Sagouspe, defensive tackle; Cal Elefante, back; and Joe McCloskey, linebacker, hit the second team.

JV's Finish with Perfect 9-0

The Chaffey JV's had another tremendous season, ending the year with a perfect 9-0 slate and capturing the CBL title with a 7-0 record. Over the past three years the team has developed a 19-game winning streak. Again next year's varsity should be a top league contender. Mike Cumpston led the team as Most Valuable Player, while Jerry DeCiccio was voted Best Back and Mike Bustos Best Lineman. Heading up the defense were Lou Simoni, Stephan Alegre, Dan Lehor, and DeCiccio.

Sophomores Close at 3-6

Despite several outstanding individual efforts, the Sophomore team couldn't get moving and closed out the campaign with a frustrating 3-6 record. The Sophs improved after being soutscored 99-0 in their first three games, but the season ended too soon. Top Sophs were Anthony Munoz, Most Valuable Player; Kirk Young, Best Back; and Kenny Owens, Best Lineman. Co-captains were Neal Weeks and Eric Muehlan.

Frosh Orange Rebound to 8-0

The Tiger Freshman Orange team bounced back from last year's disappointing 2-6 season with an undefeated 8-0 '73 finish. Quarterback John Gable was voted Most Valuable Player, while Skip Champion was Best Back and Jim Foskett Best Lineman. Defensive standouts for Coaches Jim Hemingway and Alan Petlowany were Steve Fox, Randy Johnston, Skip Champion, and Mark Loebach.

Frosh Blacks Record 6-2

The Freshman Black team was again a league leader with a 6-2 overall record, equaling the win total of last year's Black squad. Led by Geoff Weise and Brian Cipher, who split the quarterbacking chores, the young team completed another fine season under the direction of Coaches Cecil Hall and Dean Bentley. Back Brian Waldman was outstanding on offense and John Stanley led a host of defensive standouts.

Blake's Tigers 10-4 in Vintage Year!

With seven lettermen returning to the Chaffey varsity basketball team, 1974 promised to be a vintage year for Coach Jim Blake's Tigers. It was.

In spite of the early season loss of starter Brian Jacobs, out with hepatitis, the Tigers marched to a 17-7 overall record, 10-4 in Citrus Belt League, Chaffey's best finish since their 25-4 record in 1969. The Tigers ended the campaign third in CBL, finishing behind Pacific and San Gorgonio.

The year marked the final season for Coach Blake, who announced his retirement midseason, claiming an end to his fifteen year coaching career. He will continue teaching. Blake's tenure was marked with five league championships, including a CIF championship in 1962.

Chaffey was in the thick of the CBL race down to the final game of the season against Riverside Poly.

With a win guaranteeing a second place team berth, the Tigers fell to the Bears, 49-48, shooting only 35 percent from the field. Blake was awarded the game ball in honor of his final game as varsity coach, but it wasn't much consolation.

"Soph Wonder" Mark McQuaid was high scorer for the Tigers, banking in 335 points, a 14.0 game average. Seniors Mike Partington and Harley Stark followed right behind with 293 and 284, respectively, an 11.7 and 11.8 average. McQuaid also led Chaffey in rebounding, hauling down 204, an average of 8.5 The sophomore also topped the squad in steals with 124, breaking the school record of 119 set in 1969 by Chris Blake. Partington was the team leader on assists with 150, smashing the old mark of 109 laid down by Bill Nash in 1962.

JV's Finish Third

Row 1: Dave Bradshaw, Mike Fitzgerald, Russ Gee, Tom Fettik, Renee Juarez. *Row 2:* Tom Bessette, Greg Gorman, Guy Barnes, Matt Nicely, Anthony Munoz, Glenn Herbert, Keith Lenz, Bill Behrens, Coach Don Nelson.

Coach Don Nelson's J. V. basketballers came out of the '73 season with a 14-9 overall record. The Tigers were 8-6 in CBL play, good for a third place finish. The underclass cagers were in the race for the CBL flag all season, but couldn't beat league champ San Gorgonio, losing twice to the Spartans, the second game by a 50-46 score.

Matt Nicely was high rebounder and leading scorer. Other top players were Guyron Barnes, the sixth starter; Anthony Munoz, Tom Corkery, Rusty Gee, and Albert Ramirez.

Sophs Seventh

Row 1: Steve Moyer, Amando Montoya, Brian Page, John Kunysz, Bill Simonsen, Ken Goodwin. *Row 2:* Randy Johnston, Dean Steffler, Grant Bristow, John Dunlap, John Gable, Roger Zeman, Marty Melendrez, Coach Charles Rupert.

The hardluck sophomore squad was 9-12 overall for '73-'74, finishing 4-10 in CBL.

Dropping eight games by one or two points, Coach Wally Waters' sophs could never really get it all together and came out of the season in the league cellar.

John Mattke was leading scorer and also high rebounder.

Other top Bengals were Brett Toole, Scott Davis, Aron Juarez, and Steve Springer.

Freshman 11-13

Row 1: Scott Davis, Bob Hagadorn, Ricky Valenti, Aron Juarez, Brett Toole. *Row 2:* Rick Nelson, Eric Schessler, Steve Springer, John Mattke, Jack Cole, Pat Ventrella, Kevin Christopher, Kenny Owens, Coach Wallace Waters.

The Chaffey freshmen squad, under the wings of Coach Charles Rupert, were a disappointing 11-13 for the season. The team did not compete in CBL play.

Roger Zeman was scoring leader on the team and was also high on rebounds.

Although the frosh were not involved in league games, they gained valuable experience, playing more games than any other Chaffey team.

Sophomore thrower Neil Weeks *(lower left)* awaits pitch. Tigers form handshaking line *(top)* after 6-5, eight inning loss to Chino. George Bjorkman *(right)* holds stance, ready for Cowboy pitch.

Semon Eyes

Coach Jim Semon thought the '74 edition of the Chaffey varsity baseball team would win the Oitrus Belt League championship this year, and after a season opening loss to Eisenhower, the Tigers overcame Poly, and appeared to be headed toward a successful season.

In the pre-season, Semon's boys were 3-3, with wins over Pomona, 3-1, and Ganesha, 11-4. Their first loss came against Anaheim, 10-9. The next two losses came in the Chaffey District Tournament, when the Tigers, after netting a 5-0 win over Alta Loma, lost two in a row; Chino, 6-5 in eight innings and Claremont, also 6-5.

At presstime, senior Wally Reed was the leading batter with a .403 average, while junior hurler Larry Garcia led the pitching corps.

Returning lettermen for the Tigers included Rod Weigand, first base; Roy Cole, second base; Rick Blackmon, third base; Dana DeMuth, shortstop; and Jim Jimenez, Reed, and Alan Lupinetti, outfielders.

On the mound for the Bengals were Garcia, Dave Maki, Larry Jones, Dave Narasky, and Harley Stark.

Newcomers to the squad included George Bjorkman, Marty Davis, Dave McCormick, Jeff Hardesty, Jay Rogina, Paul Olivera, Dave Valenzuela, Alan Kamermayer, and Neil Weeks, the only sophomore on the team.

Senior Dana DeMuth *(left)* spins ball at Chino batter.

Returning Champs Almost Perfect (6-1)

The Chaffey water polo team, despite eleven returning lettermen from last year's undefeated 7-0 Citrus Blet League squad, fell one goal short of a repeat performance and a C.I.F. playoff berth in '73. Chaffey dropped the single deciding loss to C.B.L. champ Riverside Poly, 3-2.

The season began with a lopsided Tiger killing of Pacific, 24-1, and was followed by a win over Fontana, 10-3.

After belittling Eisehower, 17-7, the poloists dropped the crucial Poly match. The Tigers finished out the remainder of the C.B.L. season undefeated with victories over Redlands, 5-3, San Gorgonio, 10-6, and Ramona, 18-13.

In non-league action Chaffey polomen were knocked off by Muir, 22-8, and Foothill, 12-7, and split a pair with Upland, winning 10-1 tourney style before falling 9-4. The Tigers also dunked Claremont, 4-3, and Servite, 7-4, to bring their overall '73 record to 9-4.

Royce Wilson was named Captain — MVP and Ross Wilson, Ken Ruppert, and Scott Schulze shared defensive honors. Mark Lucas was "Mr. Hustle" while Jim DiCiccio received the sportsmanship award.

Hopes for next year lie in returning Mark Lucas, who was named to first string All-C.B.L. team along with senior Royce Wilson.

JV Poloists King of CBL

The JV water polo team was crowned king of the Citrus Belt League in '73, grabbing the league flag with a perfect 7-0 league slate. Overall they were 16-2.

Dave Earwood was named captain and Mike Adams and Brian Howland were voted most Valuable Players. Tom Lucas and Jerry Jordan shared the Most Improved title.

Other starters for Coach Bill Pine's undefeated team were Rick Hart, Ken Montoya, Jim Watson, and Scott Kennedy.

Next year's varsity should again have the talent to maintain its powerhouse status in the CBL.

Frosh-Soph Polomen Third

Chaffey's youngest water polo team, the Frosh-Soph, closed the '73 season with a 4-3 CBL record, finishing third behind league champion Riverside Poly and Redlands.

Steve Evans was voted the team's Most Valuable player, Steve Hollenbeck was elected captain, and Mike Squires was awarded Most Improved.

Other top players for Coach Gary Simpson's poloists were Scott Cullen, John Howard, Dan Davis, Joe Graft, Tim Bringman, and John Molnar.

Trackmen Crush Poly in CBL Opener, 91-27

Coach Carl Skavarna's varsity trackmen opened the '74 Citrus Belt league season with a 91-27 victory over Riverside Poly and at presstime were awaiting their biggest CBL confrontation of the season against San Gorgonio.

In pre-season meets, the Tiger Spikers captured wins in the annual tri-meet with Ontario and Montclair, racking up 47 points to Ontario's 37 and Montclair's 38, and the Upland dual meet 61-52, Chaffey's first win over the Highlanders in five years.

At season's start, top varsity Tigers were Gary Griffin, 100 and 220; sophomore letterman Tim Mattison, mile and two mile; Dave Mackie, long jump and high hurdles; Mark Scott, long jump and 440; and Neil Wheeler, shot put.

Griffin and Mattison were double winners in the tri-meet, with Griffin taking the 100 and 220 and Mattison scoring wins in mile and two mile. Scott and Wheeler were winners in the high jump and shotput.

Against Upland, the varsity squad was led by Griffin, who won the 220 and ran the final leg of the winning mile relay team composed of Scott, Mike Scanlon, and Garry Hayes.

In the league opener with Poly, Scott led the team with a 21 foot first place leap in the long jump and a first in the 440 in 53.6. Mackie knocked up the score with a second in long jump and a third in the 120 High Hurdles. Mattison again scored wins in the two longest events, winning the mile in 4:45.9 and the two mile in 10:12.5.

Heading up the JV's in the early going were Larry Madison, high jump, 880, and mile; and Pat Carew, shot put, 100, and 220.

Rick Reeder was tops on the frosh-soph squad, taking a first in the 440 in the Poly contest in 58.6 and also nabbing a first in the pole vault, climbing to 10′0″.

Fish Top CBL

Chaffey's varsity swim team clinched another Citrus Belt League championship in '74, surfacing with a 7-0 dual meet league record.

The league championship marked the seventh CBL crown for Chaffey in twelve years. The Tigers have picked up titles in '63, '65, '68, '69, '72, '73, and '74.

During the league season, Ron Allen had the team's best times in the 200 and 500 freestyles with 1:56.1 and 5:11, respectively. Wayne Jenkins was close behind in the 500 in 5:13.1 and Royce Wilson swam with Allen in the 200 in 1:57.1. Brian Leahy claimed top time in the 100 butterfly, thrashing to a 1:01.4 while Danny Davis backstroked to a 1:04 finish in the 100 backstroke.

Other top swimmers and times included Dave Earwood, 1:10 in the 100 breaststroke; and Mark Lucas, Curt Spencer, and Mickey Moneta 23.9 in the 50 freestyle.

Lucas, Spencer, Moneta, and Allen teamed for an outstanding 3:28 in the freestyle relay.

JV's Undefeated Win CBL

The JV swim team equaled the varsity record, totaling up a perfect 7-0 CBL dual meet season, and taking the league flag.

Coach Bill Pine's top swimmers included Joe Graff, Rick Hart, Steve Hollenbeck, Ken Montoya, Mike Squires, and Mark Szpyrka.

With the talent displayed on the '74 JV's next year's varsity squad should again be in the running for a CBL title, Chaffey's fourth in a row.

The Frosh-Soph tankmen ended their season slightly off par with the other two Chaffey teams, closing the year with a 4-3 CBL dual-meet record.

Leading swimmers for the young bunch were Alan Burgess, Linda Salvati, John Molnar, Pete Bringman, Jim Albert, and Jim Lee.

Coach Gary Simpson followed the path of varsity coach Dave Radcliff and also decided '74 would be his final year. He had served as assistant swimming coach for eight years.

Harriers — Surprise!

Cross country proved to be the surprise of the fall. The young varsity harriers, despite the loss of Rich Jimenez and Steve Rodriguez, 1-2 in the Citrus Belt League in '71 and '72, finished second with a league record of 5-2, losing only to Pacific and C.B.L. champ San Gorgonio. The Tigers went on to the C.I.F. semi-finals as a second place team and copped seventh in their heat.

The varsity squad, composed of two sophomores, four juniors, and a single senior, dropped their C.B.L. opener to Pacific, 22-34. Sophomore Tim Mattison was top finisher for the Tigers, second in 10:38.

John Corcoran and Jay Corlett, out against Pacific, returned the following week and Chaffey crushed Fontana, 19-36, and then Ramona, 19-34, stopping midway to capture the Chaffey District Meet. Mattison again led the team in the District Meet with a second place 10:15 finish, trailed by senior Corcoran, fourth, junior Stan Whorton, seventh, and soph. Corlett, eighth.

The season closed with wins over Eisehower, Riverside Poly, and Redlands, as well as the crucial 22-33 loss to San Gorgonio.

In invitational action, Mattison set a sophomore record for the two-mile course at Riverside Speedway in the Yellow Jacket Invitational, finishing first in 10:58. Corcoran was ninth in the senior division in 11:13. Chaffey also finished a solid fifth in the Pacific Invitational. Mattison was again on top with a 10:04 finish, good for 19th place.

Corcoran and Mattison were named to the first team All-C.B.L. while Whorton hit the second team.

The JV's closed the year with a 6-1 record. The Frosh-Soph gave more high hopes for the future with a co-championship finish with Redlands.

Tennis in CBL Top Four

"We'll probably finish in the top four in the league," said Coach Gary Chilcott about the 1974 Varsity tennis team in the early pre-season. "Riverside Poly and Redlands will be one and two."

At presstime, returning lettermen Bill Behrens, Mike Hart, the only senior on the 24 man club, Mike Krause, and Gary Stockwell were tops on varsity with Ted Eigle and freshman Mike Crane high probables to make the squad.

In their opening Citrus Belt League match the Tigers netted a 24 ½ — 3 ½ win over Eisenhower. Singles players Hart and Krause captured wins over their opponents, while doubles partners Behrens and Eigle nabbed victories in their matches.

The JV's, led by Steve Moyer, Louie Vega, Kenny Goodwin and Jim Reinhard, also defeated the Eagles, 24 ½-3½, and appeared to be on the way to a successful season.

Chaffey's varsity golf team was dealt a serious blow even before the start of the '74 season.

CIF qualifier Jim Cruz, injured in a summer accident, was unable to play.

Despite the loss of Cruz, returnees Brad Gates, Joe DeVenney, Mark Humphrey, Steve Wierzbinski, and Larry Vaught were expected to carry the load. Alan Wetters, Al Hover, and Dave Coyle were highly-rated varsity prospects hoping to help beat perennial rivals Redlands and Riverside Poly.

In pre-season play at Ontario National Golf Course, Gates tied the Chaffey course record for the back nine with 31 on a par 25. Wetters, DeVenney, and Wierzbinski also shot subpar rounds at Ontario, and Humphrey went under par at Red Hill.

The Tiger golfers again hosted the second Chaffey Golf Invitational at Ontario National. Bearded Clams and Big "C" donated the awards for the annual event.

Soccer Successful

In 1973-74, competitive soccer came to Chaffey, Coach Serian Stepanian's varsity soccer team made that first season a successful one, putting together an impressive 6-4 Inland League season. Before the campaign began, Coach Stepanian predicted "a fairly good and well-balanced team," although he expected to lose a few times because of lack of experience.

Sophomore Marvin Fernandez, who had just moved to Ontario from Puerto Rico, provided the potential for the coach's plan, and at season's end was named as a first team All-IL forward.

Goalie Dave Papac, first team All-league goalie, headed an excellent cast of followers which included offensivemen Nick Sedgewick, Gabriel Aponte, and Jack Castillion.

Tops on defense were fullbacks Tom Munoz and Marty Lancia plus defensiveman Doug Holsclaw.

Although the Tigers were inexperienced when the season began, they became more proficient as the season progressed.

High moment of the season came when in a 2-1 upset win over league champion Baldwin Park. Fernandez scored both goals for Chaffey. Two Baldwin Park players were ejected from the game.

The JV soccermen plowed to a 10-2 slate, winning every game in IL play except for an early season forfeit.

Forward Dave "Birdlegs" Treadway was the main offensive threat for the young booters, with help from Mike McEachron and Brian Waldman. All three are prospective starters for next year's varsity.

To have a winning record in any sport is difficult; especially if the sport is in its first year. Coach Stepanian and his soccer team did just that.

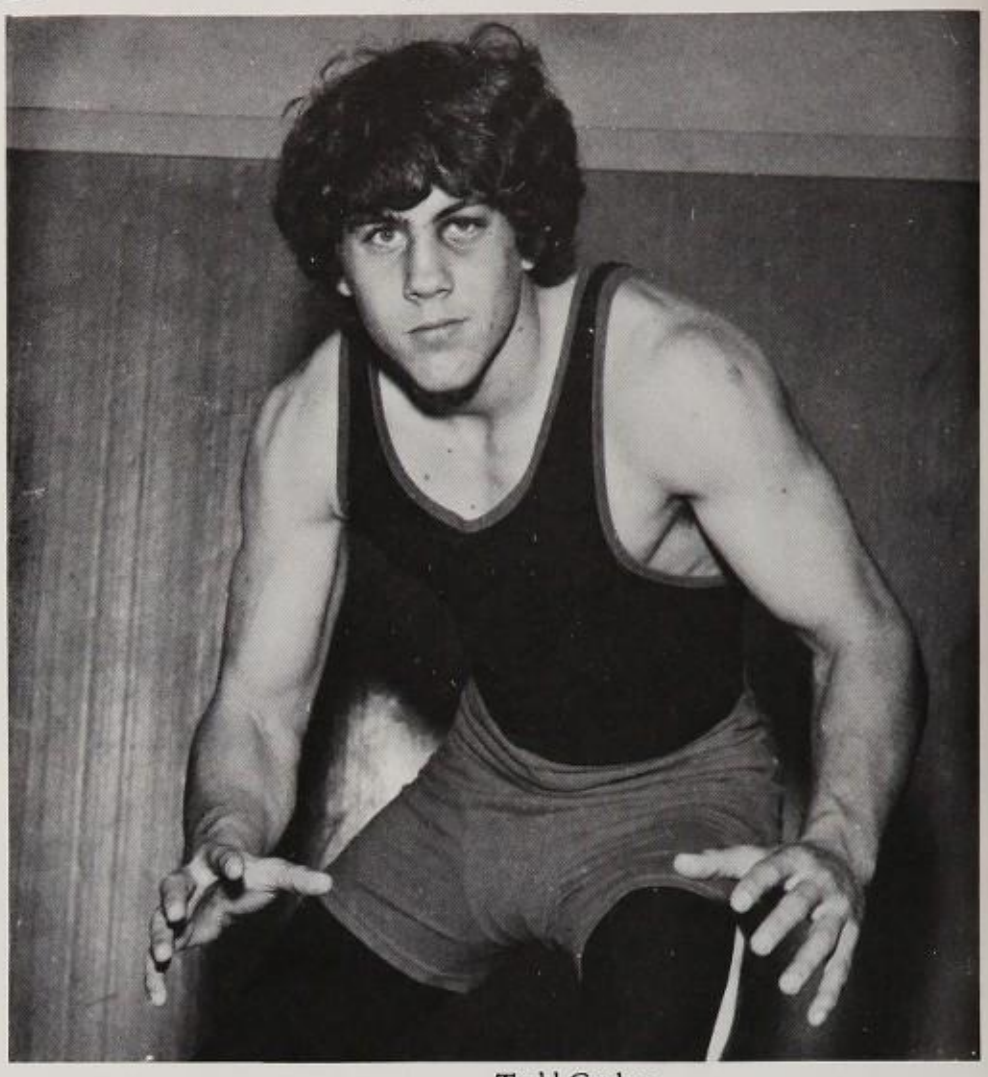
Andy MacKnight
CBL Champion, 136



Todd Curley
CBL Champion, 141

The Chaffey varsity wrestling team nailed down another successful season in '73, finishing third in the Citrus Belt League with a 3-2-1 record.

In the CBL Finals at Fontana, Andy MacKnight (136) and Todd Curley (141) captured their respective weight divisions and advanced to CIF. Also qualifying for CIF berths with third place finishes were Dan Lehor (123), Marty Marquez (148), Barry Sagouspe (194), and Walt Kaufman (heavyweight).

Highlights of the season included a first place team finish in the John F. Kennedy Tournament and a third in the 16-school Chaffey College Tourney. MacKnight and Steve Moran (167) took their divisional crowns in both tourneys and MacKnight was also acclaimed Most Valuable Wrestler in both contests.

In league action, Coach Leo Guest's Tigers scored a 29-27 victory over Pacific, the first Chaffey win over the Pirates in seven years. Heavyweight Kaufman nabbed a pin in the final match to edge the Pirates.

Kaufman continued his heroics in the final contest of the year, pinning his Fontana opponent to tie the league champion Steelers, 28-28.

Coach Alan Petlowany coached the JV's to a 5-1 slate, with their only loss coming at the hands of Fontana.

Bank of America Plaque Award Winners

The Bank of America program, now in its 27th year, recognizes four outstanding Chaffey seniors for their excellent achievements during their four years in high school. Each student was selected for one of the four general fields of study. The basis for the selections are academic record, character, and leadership qualities. After receiving the Bank of America plaques, these four students advanced to further competition against other schools.

campus conversation

only 175 more days of school.

were we that dumb when we were sophomores?

hey, do me a favor — call in and tell 'em you're my mom.

i have four tests today and i didn't study for any of them!

just use your senior priviledge card.

class — i can't do it for you.

I've got a full tank of gas!

when exams are over i'm going to go out and get sooo . . .

but we always get out when that bell rings.

he's the neatest teacher, and he's such a fox!

what happened after we left?

the class of '74 is so fantastic . . . what other class could win the spirit throphy as sophomores and seniors?

he thinks he's such a stud.

Mr. Johnson in a tuxedo?

alright, but on the way back from Mc Donald's, i've got shotgun.

me and ralph are back together — did i tell you we broke up?

. . . except once we got caught by Osborn.

a dance at Colony, tonight?

how much money is in the senior class treasury?

ask me if i care!!!

Juniors

Baldy's Memories of Chaffey

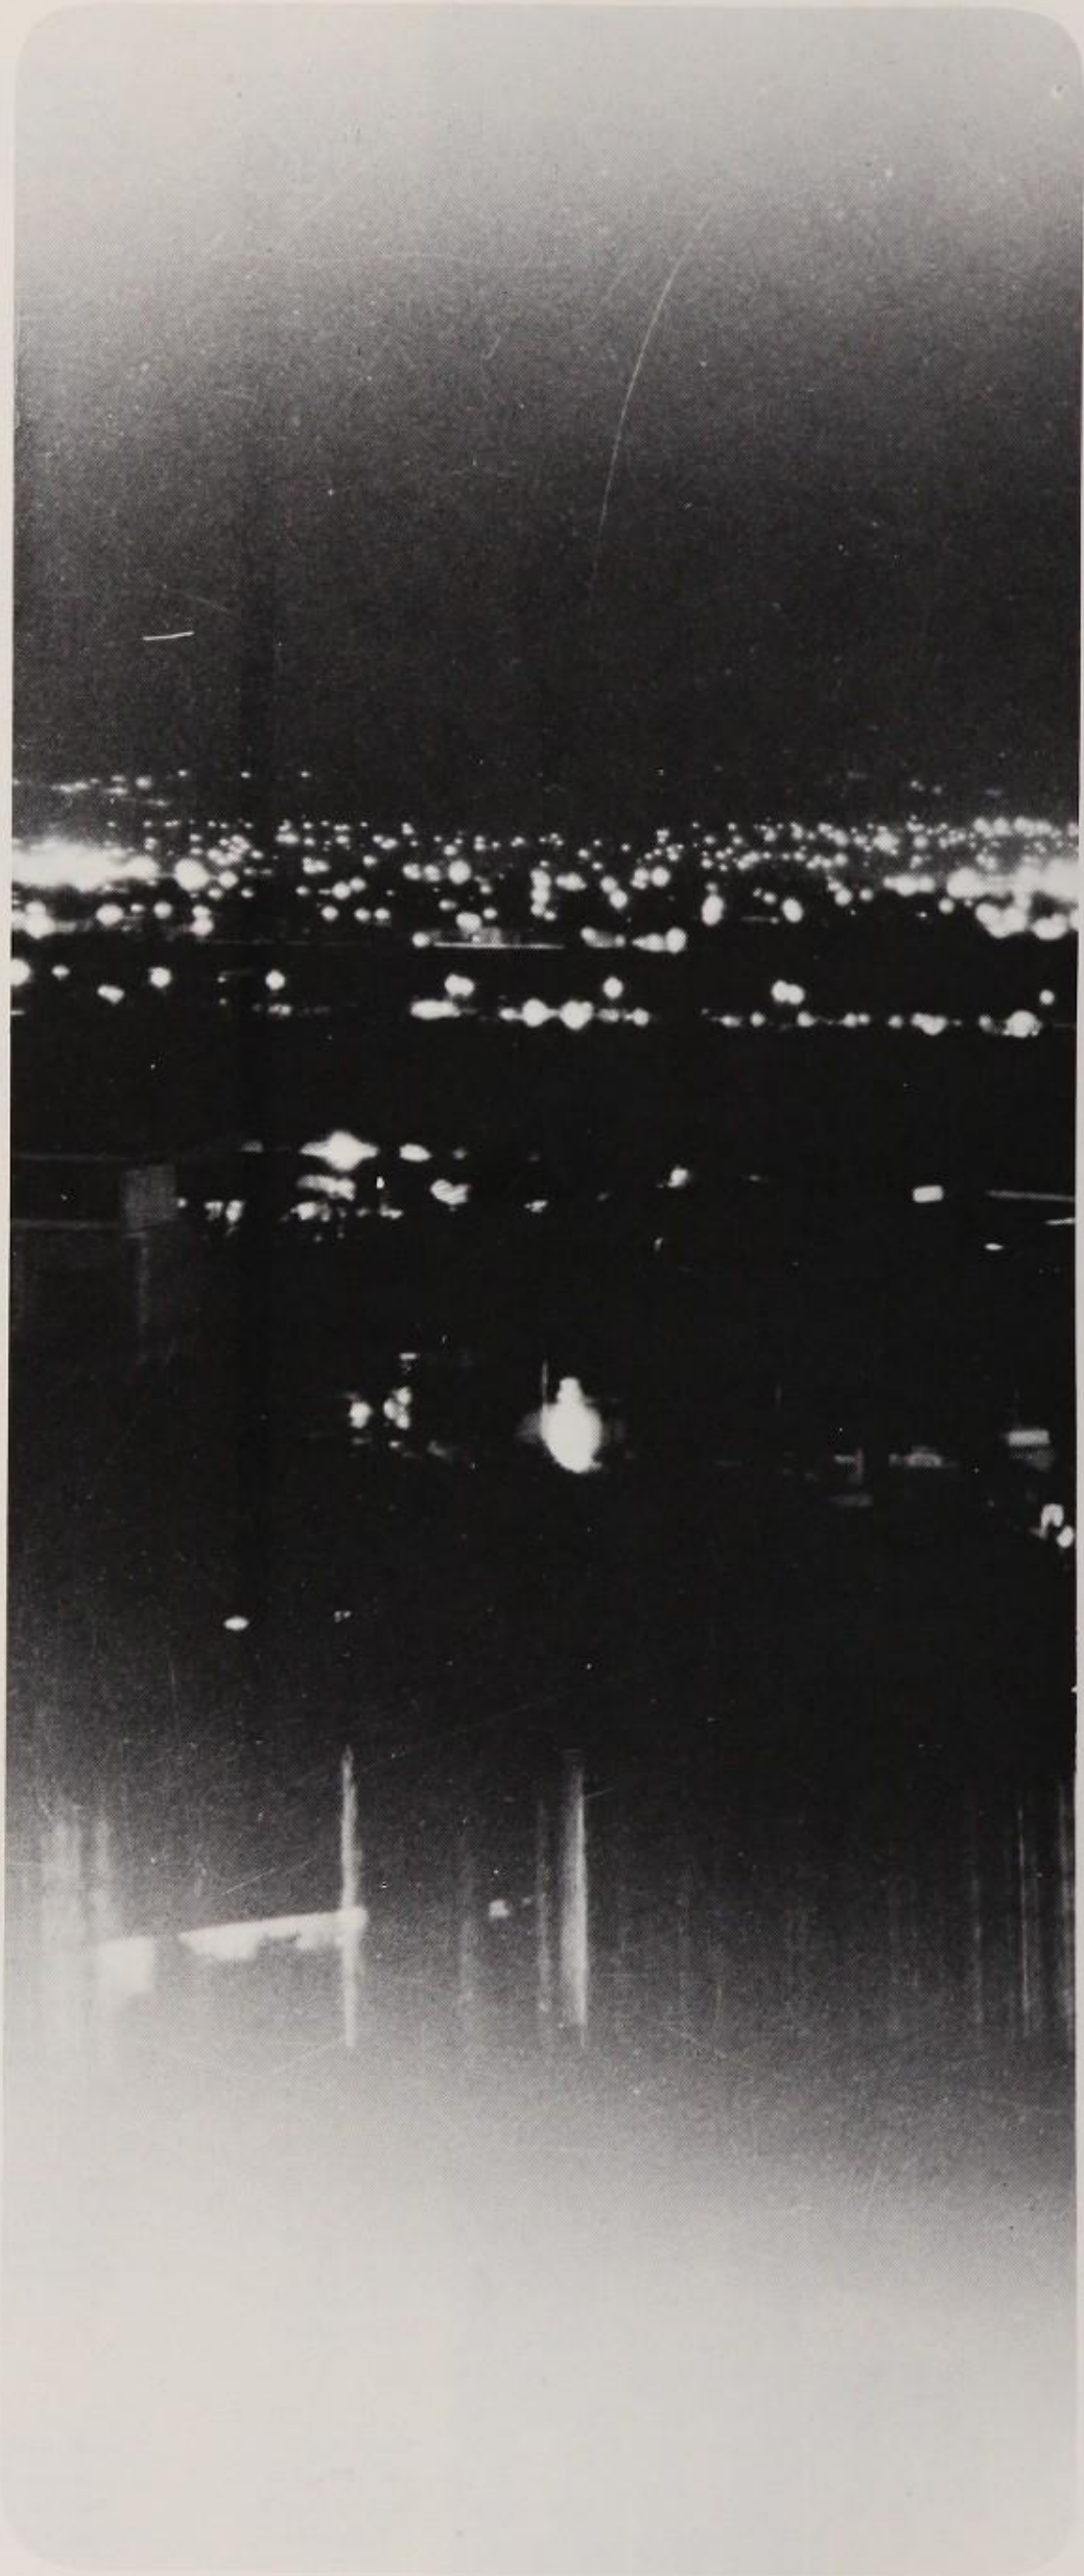
As I scan the entire valley, the unique institution of Chaffey High School remains dominant. I recall its many years of bitter struggle and continual growth. I well remember in 1883, the minute group of individuals who assembled to witness the laying of the cornerstone of the old Chaffey College. And also the establishment of the Ontario High School District, which gave great significance to the year of 1911.

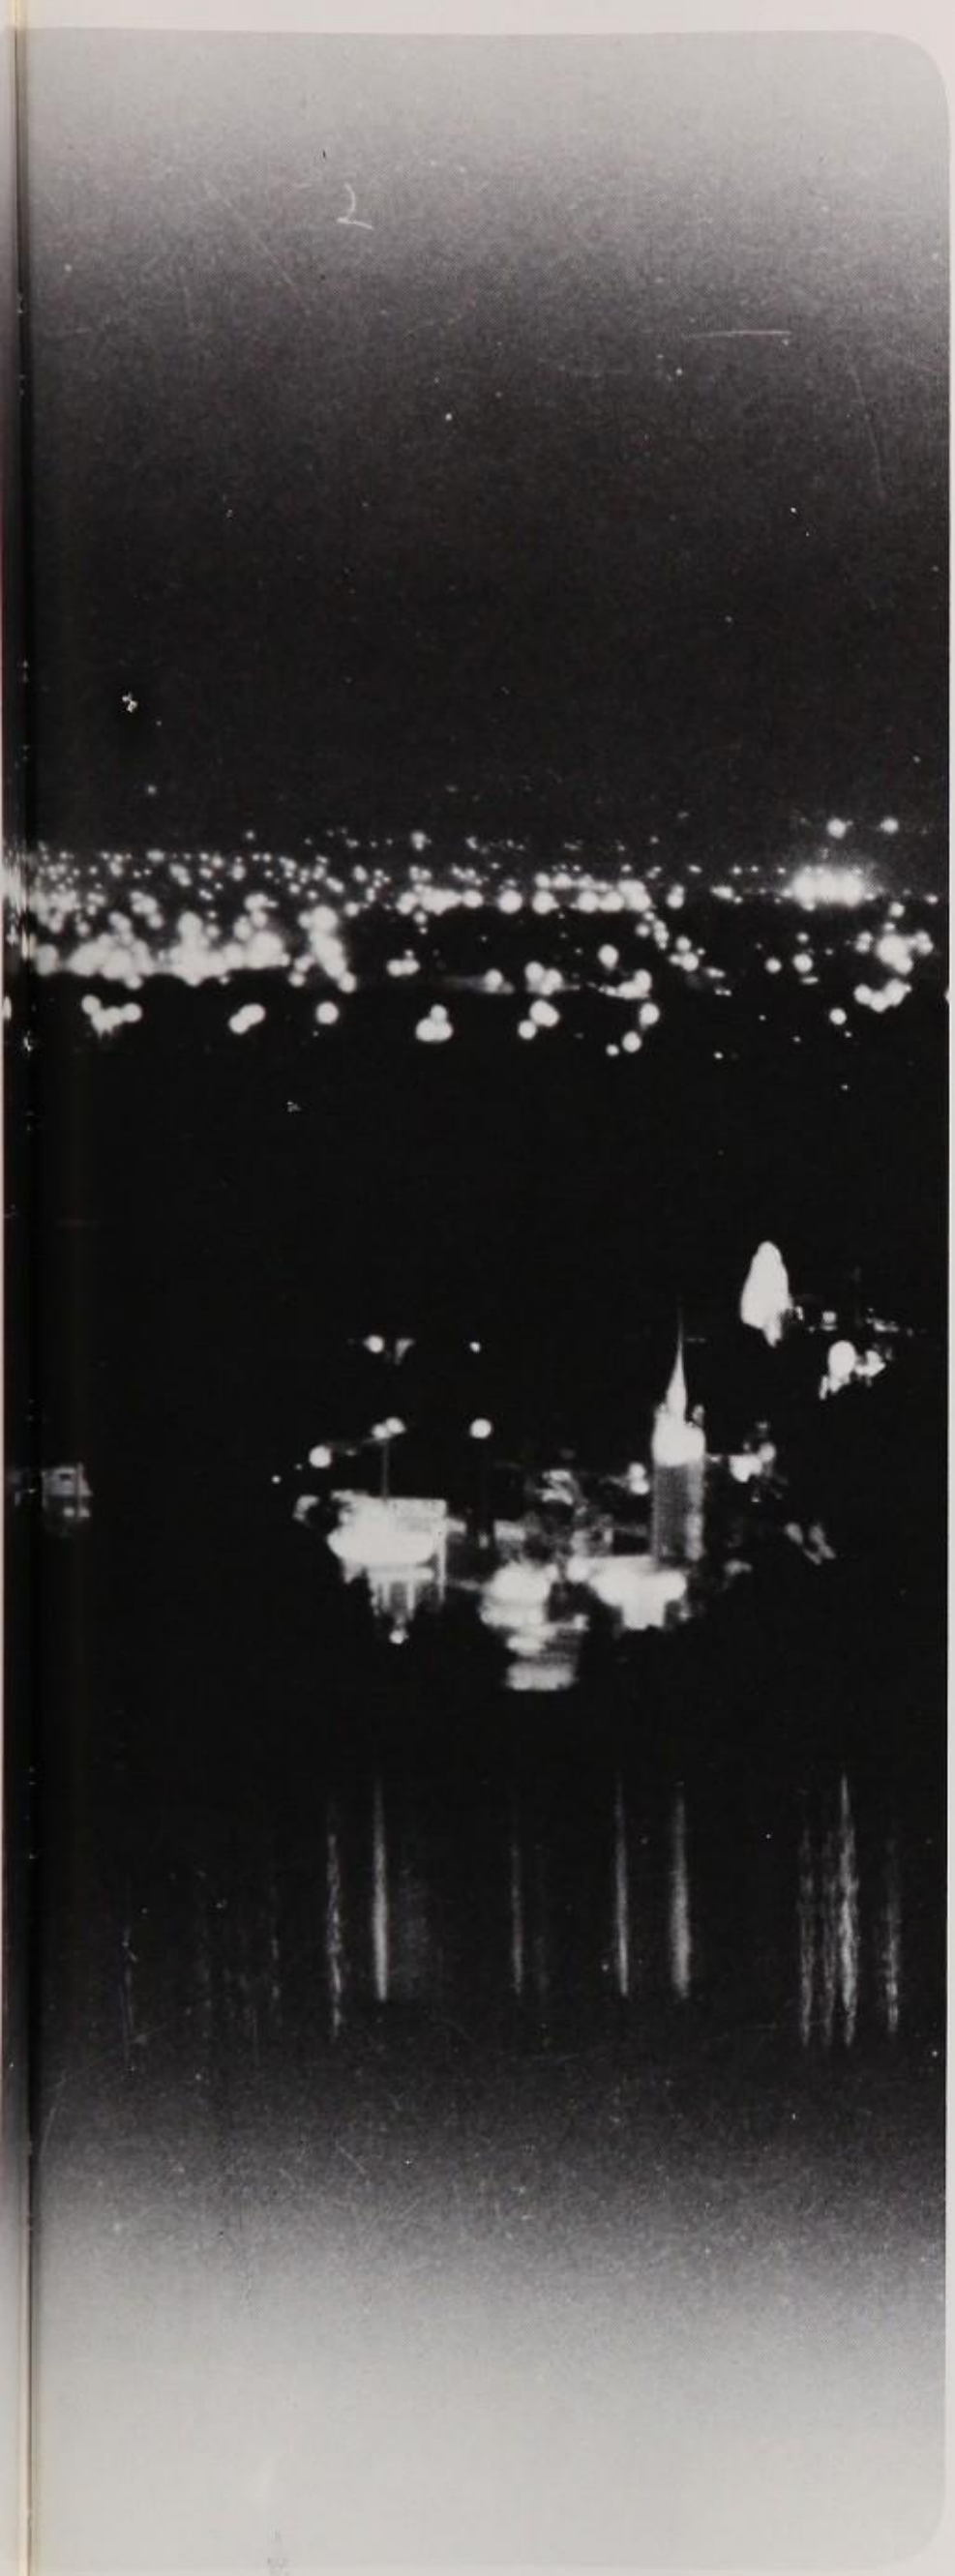
I did not see change in Chaffey until the addition of a new building eight years later. However the addition failed to accomadate its rapid growth.

In May of 1911, a decision was approved by the majority of the surrounding community to unite as a Chaffey Union High School District. A permanent endownment fund, granted by the Chaffey brothers in August, 1911, provided $200,000. for the erection of three new buildings. The people extended their appreciation to the Chaffey brothers by naming the new institution Chaffey Union High School.

Throughout the years Chaffey has been stunned by such disasters as the destruction of the Science Building by fire. But experiencing and overcoming tragedy has strengthened Chaffey's continual progress.

Having observed the construction and completion of a plunge, gymnasium, shop, auto sheds, athletic field, grandstand, additional tennis courts, sidewalks, a Domestic Science Building, and the recent addition of a new Math and Science Building, I have watched Chaffey distinguish itself. Not only have physical changes become apparent at Chaffey, but also changes in instruction which have better guided individuals to maturity. Daily I notice achievements which are adding to the motto "A Bigger and Better Chaffey."





Sophomores

Good times should be made to last . . .
For time is going fast.

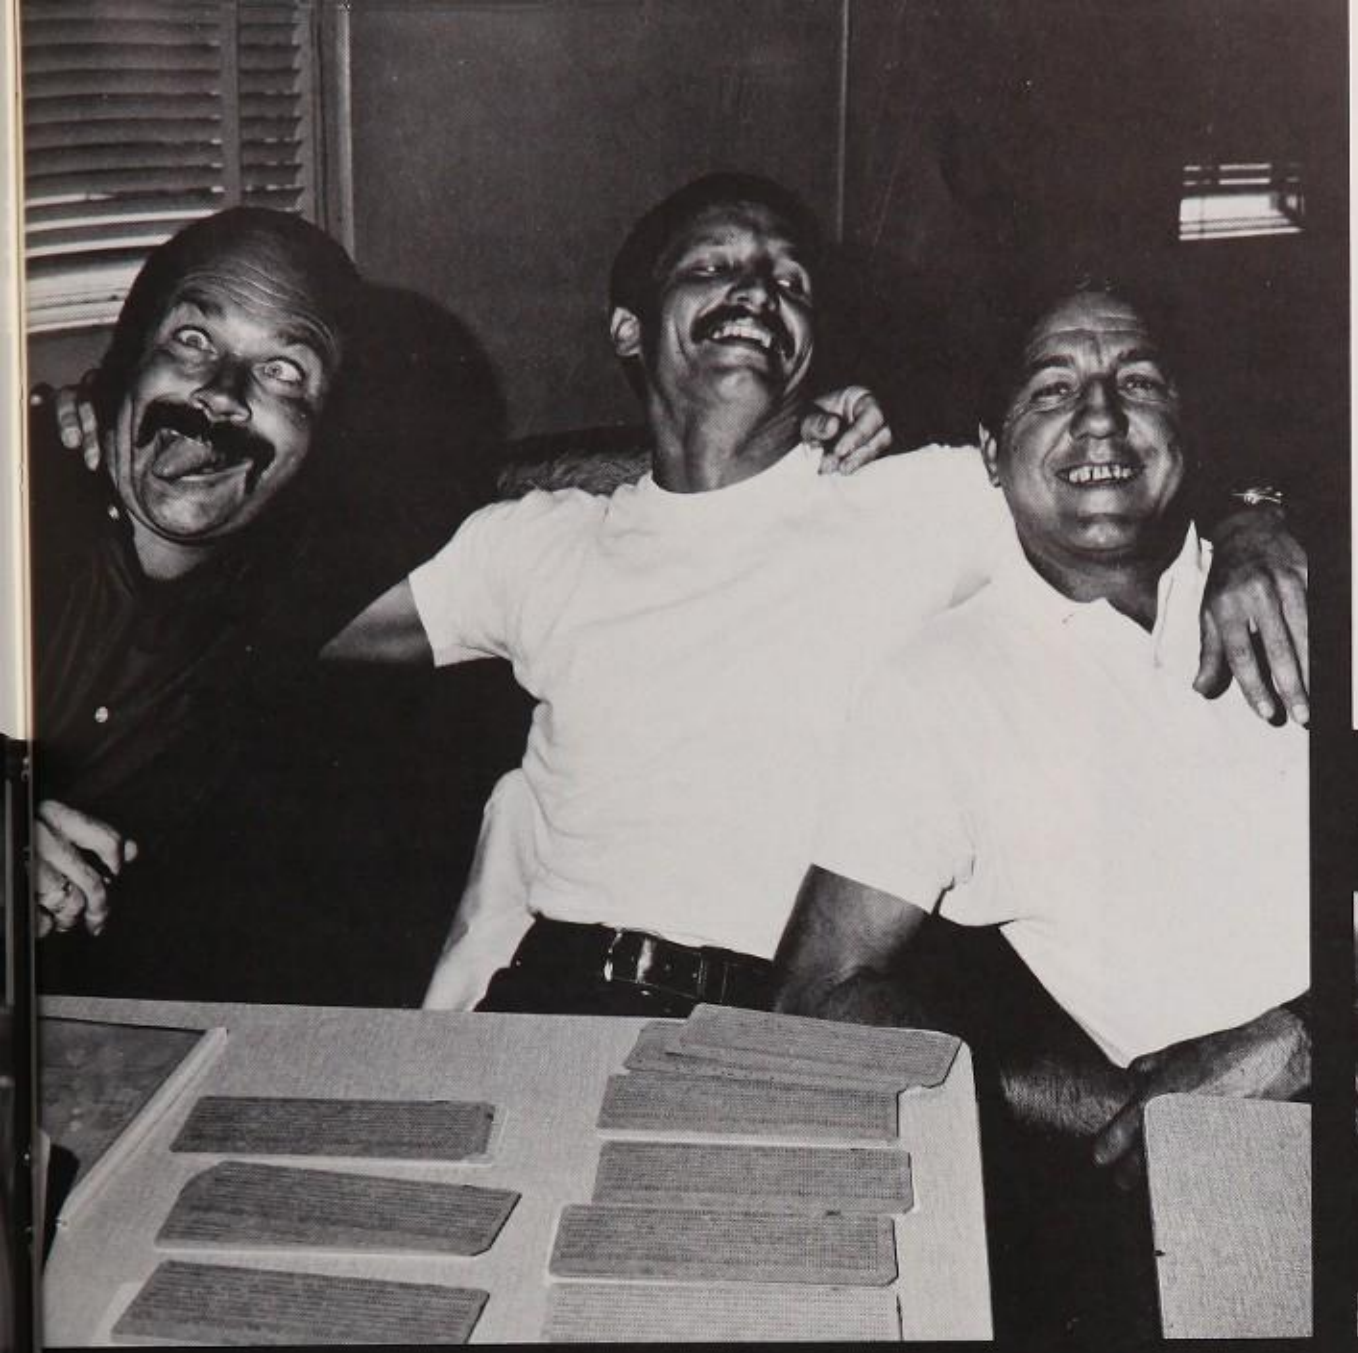
Where did this path of life begin
where does it end?

Chaffey Staff



We come to school to learn about a truth we can meet and witness. And in searching for it, we find a common bond which ties us together with more strength . . .

Our teachers help us to discover these truths through gentle persuasion and guidance, but most of all, by caring enough to give their time.

It will never be known the endless hours and months of thankless work, bitter anguish and disappointment, tremendous pressures, and countless prayers, that compose this 1973-74 memory.

As neophytes, we strove for a common goal . . . the publication of this book and will success to future Fasti staffs. The 1974 Fasti was made a reality with the assistance of Lion Country Safari, the senior class, Taylor Publishing Company, Wayne Moore Photography, Hudson Pate, Mayo Torres, and uppermost with the unfailing help of God. We, the Fasti staff would like to extend our deepest and sincerest appreciation to these friends.

Receive this memory . . . read it and remember us.

First Chaffey High School Fasti 1912

Fasti is not simply a title bearing no significance. Selected from musty annals and engraved marble, to don our yearbook, the term Fasti is highly applicable. Fasti was the appellation the old Romans gave their sacred books. The *fasti dies i.e.* their lawful days were accounted for in these books. The inscription, adopted in 1902, was imployed since Fasti recorded the public events of the year. We have revived the true meaning of the word, by including a summary of highlighted events that occured in the latter four years. We hope that our FASTI pays due regard to triumph and defeat, and due homage to the deserving. We trust that proceeding publishers will continue to entitle their annuals, Fasti.

Chaffey Events 1970 — 1974

1. Live disc jockeys highlighted the mornings, relaying bulletin announcements and spinning the turntable with top 10 records. The names "Bobby Bossjock" and "Rockin' Rodge" will long be remembered from the years 1972 and 1974.
2. October 1971 saw unrest on the Chaffey campus. Chicano students demonstrated for a student center, which would employ one human relations person, and one consultant, changes in history courses to include Chicano history, Spanish written I.Q. tests, and the Mexican flag flown below the American flag, these being six of ten desired demands. Anglo students held a peaceful counter-march, carrying large American flags to confront the Chicano protestors.
3. In compliance with Chicano demands, a student center was established on March 13, 1972. The purpose of the center was to assist students in job, career, college, and scholarship information. A tutor program was also provided to help students with their studies. A Student Center Board composed of equal representation from three ethnic groups, was designed to help govern the operation of the Student Center. Among the programs sponsored by the Student Center were the annual festivities of Cinco de Mayo, beginning in May of 1972, and Black Awareness Week, beginning in February of 1973.
4. Spring of 1972 brought the first annual "faire" to the Chaffey High School campus. Student creations, refreshments, and items of novelty were sold in booths by participants. Bands provided entertainment. The main feature of the faire were the tricycle races.
5. The fall of 1972 saw further unrest on the Chaffey campus. Teachers marched against unfinished negotiations pertaining to salaries, a dental-health plan and a grievance proceedure. A panel of three representatives made recommendations to the board on these issues. A decision made by the board was to disregard the previous recommendations, excepting a salary increase of 4%.
6. "Who is the new principal?", was one of the most frequently asked questions in September of 1972. Dr. Fred C. Adams brought with him many renovated ideas and programs, as well as, a friendly and enthusiastic attitude.
7. One of the programs administered by Dr. Adams was the Continental Breakfast. The breakfast was created in November 1972 with the intent of orientating the public with Chaffey. Students invite off-campus guests to partake in class visitations, campus tours and an informal breakfast.
8. On January 8, 1973, a priviledge was granted to seniors maintaining a cumulitive 3.0 grade point average and additional criteria. A senior priviledge card entitles a student with teacher permission, to leave the classroom for further study, recreation, or personal business. He may also leave the campus if a parent permission form has been filed with the counselor.
9. A new system of registration was devised and went into effect in January of 1973. The "Scramble System" was a plan in which to allow students an opportunity to select their classes, periods, and teachers.
10. In accordance with vehicle code 21113, private vehicles, motorbikes, and animals are prohibited on school grounds. The adoption of this policy went into effect March 19, 1973. Students and faculty are required to display a permit parking sticker to park in designated lots. This restriction is effective from 7:00 a.m. — 4:00 p.m. The parking lot remains locked during this time but is patroled by police. Vehicles are also prohibited from using the campus roads.
11. Drastic changes took place in September 1973. A computerized attendance procedure was developed and centralized in order to seperate guidance and attendance. Parent phone calls are needed to clear student absences. Students are issued green cards for teacher signature, if not verified.
12. A further change in September 1973, was the development of a student activities complex. The complex is composed of the Student Center, Student Council, and Activities Director, which were formerly located in diverse places on the campus. A policy establishing year long terms for class officers, was enacted on September 11, 1973.

Traditional Basketball Homecoming activities were supplimented with a new approach. A week of festivities preceeded the coronation of the Spring Festival Queen on February 16, 1974.
13. A C.B.L. restriction barring girls from participating in boy's athletic competition was revoked. The 1973-74 school year witnessed six girl participants on the boy's Diving, Golf, and Swim teams.
14. For the first time, Chaffey High School activities appeared on a local television network for community viewing. Theta Cable Television's first broadcast of Chaffey events began with the Chaffey vs. Fontana football game, October 12, 1973.

Beginning with the C.B.L. football season, senior fans had choice seats in the Chaffey stadium.
15. Due to the Field Act, applying to earthquake safety, Tower Hall must be evacuated by 1975. Thus construction began on February 1, 1974 on a new Math-Science building to accomodate students. The building will be completed by February of 1975 and will admit students second semester.

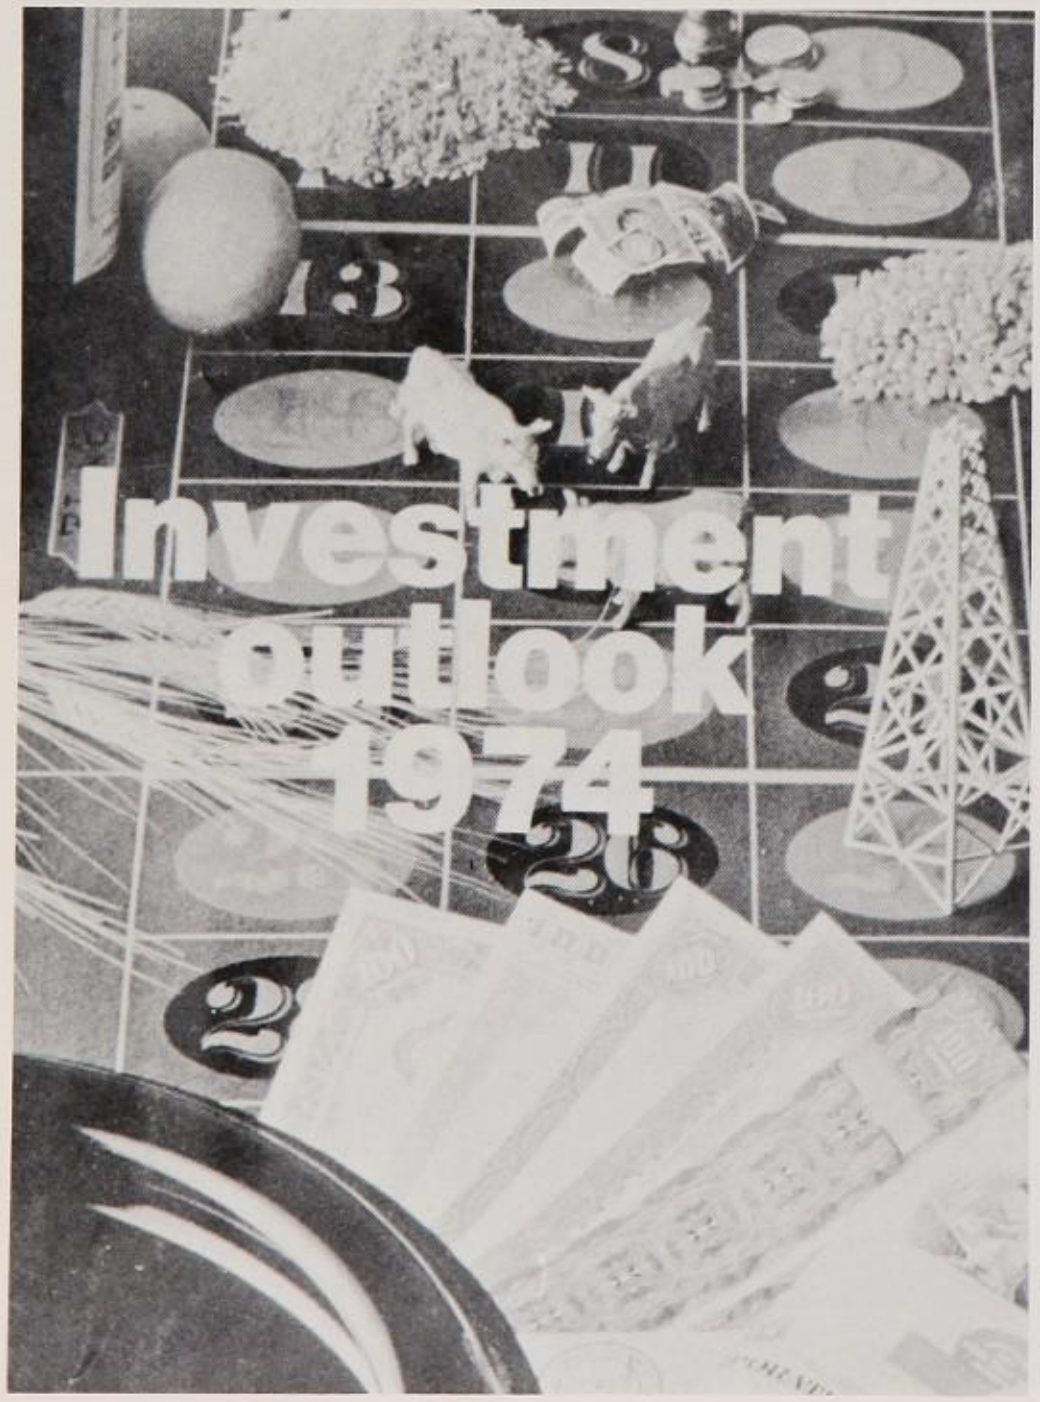
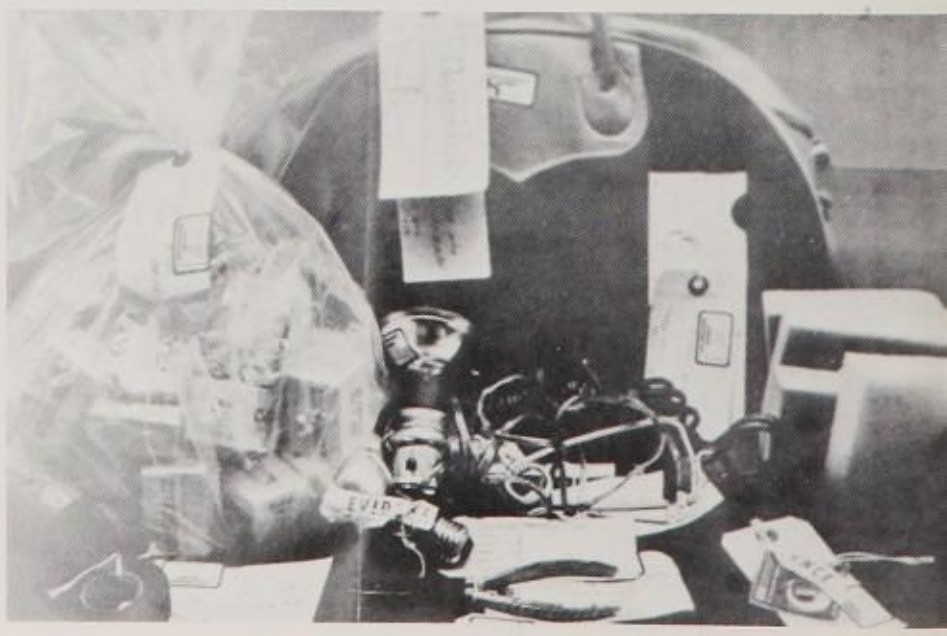
National Events 1970-1974

1. National Earth Week was first established in 1970, in an effort to better our environment. This awakened the nation to the ecological movement.
2. The rebirth of Women's Liberation was apparent in 1970. The battle cries of the movement were for equal rights in job opportunities and the abolition of the "misconception" that women are the weaker sex. An incident prompted by this movement was the Bobby Riggs vs. Billy Jean King Tennis Tournament on September 20, 1973, which was held in the Houston Astrodome. Ms. King displayed superiority in this match.
3. The Ontario Motor Speedway, the second largest raceway in the nation, seats approximately 145,000 spectators. Construction was completed on August 30, 1970. The inaugural race September 6, 1970, was the major festivity of the track.
4. The American people have experienced an enormous increase in the cost of living in the past four years. Phases 1-3 have noted a 10.3% rise in consumer goods and Phase 4 has shown a continual rise. Predictions of recession in '74 have been noted and taken seriously. Consumers expect a fuel price increase and the oil shortage to snarl transportation. More layoffs in auto plants and airlines are predicted. There exists a sharp loss of confidence in the government and its ability to deal with the shortages and inflation that confronts the nation.
5. Eighteen year old voting rights were granted by the ratification of the 26th amendment, on July 1, 1971.
6. The world has witnessed several phenomena in the past four years. Among these were the San Fernando earthquake, caused by the San Andreas Fault on February 9, 1971. California is about ten times more active seismically than the world as a whole, which is to say that California is "Earthquake Country." Another event was the total solar eclipse, which occurred on June 30, 1973. This was the sun's longest banishment and will not reoccur until the year 2,150. Kohoutek was named after the German astronomer who discovered the comet, on March 7, 1973. As Kohoutek approached, astronomers had a rare opportunity to learn more about the primordial substance which the solar system was created.
7. The American public has been aroused in the past four years, by the motion picture productions, *Patton, Love Story, The God Father, Summer of '42, Jesus Christ Superstar, American Graffiti,* and *The Exorcist.* The television media also aroused new interest with tbe change in programming. *All in the Family, T.V. Movie of the Week, The Waltons,* and *Happy Days,* added a new dimension in television viewing.
8. The younger generation reverted to the times and styles of the 50's and 60's beginning in 1972. Nostalgic music, television and radio programs and movies, captured the moments of "the good old days."
9. June 17, 1972, five men were apprehended in the headquarters of the Democratic National Committee at the Watergate Apartments in Washington.
10. The outcome of the 20th Olympic games held in Munich, Germany in the summer of 1972, showed the United States outstanding in setting a record of seven gold medals earned in a single event. Episodes which dampened enthusiasm at the Olympics were that of brutal murders, inaccurate officiating, and errant decisions by the International Olympic Committee.
   Another outstanding achievement was the capturing of the World Chess Championship, previously held by the Soviet Union for 24 years.
11. September 17, 1972, dated the release of the first three of numerous American prisoners of war. This action was a partial result of the Paris peace talks.
12. The U.S. will long remember the deaths of such renowned personalities as Jackie Robinson, Pearl S. Buck, Pablo Piccasso, Roberto Clemente, Swede Savage, Lyndon Johnson, Jim Croce, Edward G. Robinson, Harry S. Truman, Betty Grable, Fred Offenhauser, and Samuel F. B. Morse.
13. Skylab was launched May 25, 1973. A successful mount of Skylab on the moon, was accomplished in the 28 day mission.
14. The U. S. has become involved in a worldwide fuel shortage. The shortage of oil has caused the people many inconveniences since 1973. Block long gas lines, an odd and even system of distribution, reduced speed limit, price increase, poor service, and a lack of quality and quantity gasoline, have become a way of life. The Christmas spirit was dimmed by limited lighting throughout communities. Because of the time change in Daylight savings time, children were forced to walk to school in darkness. Furthermore, people endured a cold winter as a result of heating conditions.
15. Amidst turmoil, college students began a fad in 1974 that swept the nation. While "streaking" astounded many, it provided freedom and a diversion from tension for others. It also diverted attention from demonstrations and brought back old college lifestyle.





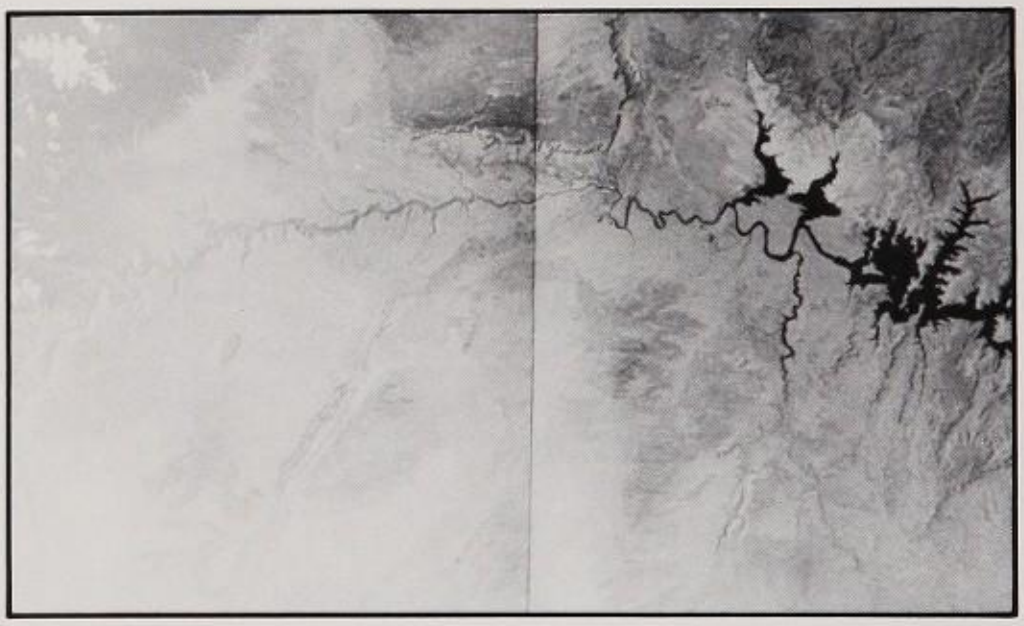
AMENDMENT XXVI

Voting Age—Eighteen

SECTION 1. The right of citizens of the United States, who are eighteen years of age or older, to vote shall not be denied or abridged by the United States or by any State on account of age.

SEC. 2. The Congress shall have power to enforce this article by appropriate legislation.

Proposed March 23, 1971; ratified July 1, 1971; certified July 7, 1971.



We came to Chaffey to learn, to reach, to gain, to find that which is hardest to find . . . ourselves. It was here that we have also learned the bittersweet truth that life makes demands upon individuals. We have learned that demands of life require change. And to no group was change more apparent than to the Class of '74.

The years we've shared have been all brief. In a short while you will have forgotten some or perhaps all of us. Yet the friend contained in this book shall remain indefinitely. When new faces fill the places which ours now occupy, still we will have a friend to remind us of former days, of old joys and sorrows, the new hopes and inspirations we cherish with a common heart.

Our time grows short . . . for tomorrow will be yesterday. Relunctantly we bid you farewell.

Class of '74.

Treasurer, Mr. Jack Tinson, and Mr. Mac McIntosh, Mr. Jack Tinson, and Mr. Vaucher.

Vaucher.

I really look forward to seeing you this summer. I know you will have a great summer playing football. Good Luck

Joe.

To Chaffey's glowing colors
We owe allegiance true.
And forever we will cherish
Our banner's glorious hue:
So we'll hail our radiant colors.
Nor honor shall they lack.
While Chaffey stands defender
Of the Orange and the Black.
